

# Australian National Gliding Championships

49th Multi-Class Championships

Dalby Aerodrome

4 - 15 October 2010

## Fees and Charges

Tows	\$50 per tow
Welcome function	\$40
Presentation dinner	\$40
Camping	\$30 flat fee

As you can see we try to keep things simple, we are glider pilots not accountants!

The details:

**Tows:** the competition is over 12 days, 1 practice day and 11 competition days, the new rules require that there be at least one rest day, so if you plan to fly every day, you must pay for 11 tows, \$550, plus any additional tows on the weekend or week before

**Welcome function:** We have booked a room at the Country Club Hotel, one of our sponsors, from 6pm to 9pm. They are putting on an "all you can eat" hot and cold smorgasbord and includes your first 3 drinks, beer, wine or soft drinks. The bar will be open and you can buy additional drinks after that if you wish.

Cost is \$40 a head, for dinner and drinks, payable at registration.

Now as it is a Sunday night in a country town in regional Australia, and they are putting this on specially for us, we need definite numbers by next Tuesday 28 September.

**Presentation dinner:** at the Dalby RSL on Friday evening 15 October, hot savouries on arrival, beef or chicken main course plus desert

**Camping:** flat fee for the whole competition, the camping area is very well grassed, there are toilets on site, showers are available at the show grounds

**We require payment in full for all items at or before registration, refunds will be provided for any unused tows**
